Title:	Website Records
Identifier:	Accession 15-276
Date:	2015
Extent:	
Creator::	Smithsonian Institution
Language:	Language of Materials: English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 15-276, Smithsonian Institution, Website Records

Descriptive Entry

This accession consists of the eMammal Project website as it existed on May 21, 2015. eMammal allows citizen scientists to work in collaboration with researchers at the Smithsonian Institution and North Carolina State University to document mammals throughout the mid-Atlantic region by placing camera traps across the landscape in parks and other natural areas to collect photos of mammals. The website provides information about the project and its resulting collections. The website launched in March 2015. Materials are in electronic format.
