Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Audiovisual Recordings
Identifier:	Accession 16-064
Date:	circa 1974-2007
Extent:	51.5 cu. ft. (45 record storage boxes) (13 document boxes)
Creator::	National Zoological Park
Language:	Language of Materials: English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 16-064, National Zoological Park, Audiovisual Recordings

Descriptive Entry

This accession consists of audiovisual recordings featuring the National Zoological Park (NZN) and its animals, staff, activities, events, research, medical procedures, and exhibitions. Some materials were created by NZN and others were created by news media and radio, television, and video production companies. Included in this accession are original footage, news segments, interviews with staff, public service announcements, B-roll footage, educational videos, television productions, and related media types. Materials include video as well as a small amount of film and audio and a study guide. Some materials are in electronic format.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

- Publicity
- Radio programs
- Research
- Special events
- Television programs
- Veterinary medicine
- Video recordings
- Zoo animals

Zoo exhibits
Zoos
Zoos -- Educational aspects
Zoos -- Employees

Types of Materials:

Audiotapes
Digital versatile discs
Electronic records
Manuscripts
Motion pictures (visual works)
Videotapes
