Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 16-081, Website Records

Descriptive Entry

This accession consists of the Encyclopedia of Life (EOL) blog as it existed on February 26, 2015. EOL is a global partnership between the scientific community and the general public to make freely available to anyone knowledge about all the world's organisms. The blog provides updates and announcements related to EOL and its activities. The blog launched in May 2012 and has been inactive since September 2014. Materials are in electronic format.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:
