## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 16-093, Richard E. Grant Papers

---

## Descriptive Entry

This accession consists of field notes of Richard E. Grant (1927-1994), a paleontologist with the United States Geological Survey and the Department of Paleobiology in the National Museum of Natural History. Some of these materials predate his time at either institution. Materials also include correspondence, postcards, scientific illustrations, photographs, and a map. Some materials are in electronic format.

Materials dated 2005 consist of digital images of the field notes.
