---

## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 16-200, Smithsonian Institution. Office of Facilities Engineering and Operations, Website Records

---

## Descriptive Entry

This accession consists of the project website for the National Museum of African American History and Culture environmental impact statement and section 106 as it existed on November 4, 2015. The website, a collaboration between the Office of Facilities Engineering and Operations and the United States National Capital Planning Commission, provides project information, meeting minutes, reports, news, background materials, and the final environmental impact statement. Materials are in electronic format.

---
