## Descriptive Entry

This accession consists of records created and maintained by James C. Cornell, Jr., a public information specialist and publications manager for the Smithsonian Astrophysical Observatory (SAO). SAO jointly administers the Harvard-Smithsonian Center for Astrophysics (CfA) with the Harvard College Observatory. Materials primarily consist of photographs used in the production of SAO newsletters (such as "SAO News" and CfA's "Centerline") and other publications in regard to SAO staff, Satellite Tracking Program stations, installation and use of telescopes and cameras, and special events. Also includes correspondence, memoranda, and notes as well as newspaper clippings, news releases, reports, press kits, research papers, biographical information, and other supporting documentation.

## Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

### Subjects:

- Artificial satellites -- Tracking
- Astronomers
- Astronomy
- Astrophysical observatories
- Astrophysicists
- Astrophysics
- Museums -- Public relations

Science publishing  
Scientists  
Special events  
Telescopes

Types of Materials:

Black-and-white negatives  
Black-and-white photographs  
Black-and-white transparencies  
Clippings  
Color negatives  
Color photographs  
Color transparencies  
Manuscripts

Names:

Cornell, James C., Jr.  
Harvard College Observatory  
Harvard-Smithsonian Center for Astrophysics  
Smithsonian Astrophysical Observatory. Satellite Tracking Program

Preferred Titles:

*Centerline (Serial)*  
*SAO News (Serial)*
