Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 16-292, National Museum of Natural History. Department of Invertebrate Zoology, Curatorial Records

Descriptive Entry

This accession consists of field notes of Stillman Wright (1898-1989), an American limnologist. These records document fieldwork in Brazil and Argentina. Wright deposited his South American crustacean specimens with the National Museum of Natural History, Department of Invertebrate Zoology, and these field notes were maintained by the department. Materials also include maps.
