<b>Language:</b>	English

---

## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 16-294, National Museum of Natural History. Department of Invertebrate Zoology, Curatorial Records

---

## Descriptive Entry

This accession consists of field notes of Grace E. Pickford (1902-1986), a zoologist and professor at Albertus Magnus College, Yale University, and Hiram College. These field notes document her focus on worms while in South Africa as a traveling scholar of Newnham College, Cambridge. These records document specimens in the National Museum of Natural History, Department of Invertebrate Zoology, and were maintained by the department. Materials also include maps.

---
