## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 16-342, National Museum of American History Division of the History of Technology, Curatorial Records

---

## Descriptive Entry

This accession consists of records primarily created by Carl W. Mitman during his tenure as Curator of the Division of Mechanical Technology, 1921-1932, and Head Curator of the Department of Arts and Industries, 1932-1948, United States National Museum. These files create a biographical sketch of a multitude of engineers, inventors, and industrialists. Materials include correspondence, images, clippings, drawings, illustrations, negatives, phonograph records, and other related materials.
