Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 16-363, National Museum of American History, Website Records

Descriptive Entry

This accession consists of the "Smithsonian Chips Collection" website which is maintained by the National Museum of American History. The website, crawled April 5, 2016, is dedicated to the collection of objects, images, and documentation that traces the history of integrated circuits. It includes object information, a glossary, and historical information related to circuitry. It first launched in 1998 and appears to have undergone few updates or revisions. Materials are in electronic format.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

- Electric circuits
- Historical museums
- Museums -- Public relations
- Web sites

Types of Materials:

- Electronic records

Preferred Titles:

- Smithsonian Chips Collection (Website)*
