## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 16-364, National Museum of American History, Website Records

---

## Descriptive Entry

This accession consists of the online exhibition "EveryBody: An Artifact History of Disability in America," created by the National Museum of American History, as it existed on April 5, 2016. The website, presented in both English and Spanish, presents familiar historical themes from the perspective of Americans with disabilities. Materials are in electronic format.

---
