---

## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 17-036, National Museum of Natural History, Website Records

---

## Descriptive Entry

This accession consists of the Department of Entomology blog as it existed on March 30, 2016. The blog features collections, research, and staff from the National Museum of Natural History, the United States Department of Agriculture's Systematic Entomology Laboratory, and the Walter Reed Biosystematics Unit, as well as other entomology-related news. The blog launched in January 2014 and has been inactive since July 2015. Materials are in electronic format.

---
