Smithsonian Institution Archives, Accession 17-039, Smithsonian American Art Museum, Website Records

Descriptive Entry

This accession consists of the Renwick Gallery website as it existed on October 31 and November 13, 2015. The second crawl was captured on the day the Renwick Gallery, part of the Smithsonian American Art Museum, reopened after the building underwent a two-year renovation. The website includes information about the museum and its history, staff, collections, and exhibitions. Due to technical issues, much of the video content is missing from this accession. Materials are in electronic format.
