Descriptive Entry

This accession consists of the "Seriously Amazing" website maintained by the Smithsonian Institution. It was dedicated to exciting the learning in everyone, everyday, by asking and answering questions (called "SI-Qs") about science, art, history, and culture. The questions were symbolized by seven quirky characters that help show why the Smithsonian Institution is "Seriously Amazing." The website was captured on October 6, 2015, shortly before it was discontinued. Due to technical difficulties, the website capture may be incomplete and features may not function as expected. Materials are in electronic format.
