Smithsonian Institution Archives, Accession 17-073, Smithsonian Astrophysical Observatory, Website Records

Descriptive Entry

This accession consists of a website and a blog maintained by the Smithsonian Astrophysical Observatory (SAO) as they existed on June 20, 2016. Both relate to the Astrophysics Data System (ADS) which is operated by SAO on behalf of the United States National Aeronautics and Space Administration. The website consists of a form for searching the system, but the accession does not include data. The blog, launched in July 2015, features technical information, news, and other stories related to the ADS. Materials are in electronic format.
