Descriptive Entry

This accession consists of the Smithsonian Folklife Festival website as it existed on July 11, 2016, and again on July 14, 2016, shortly after the end of the 2016 Festival. The website provides information about the 2016 Festival and its programs. It also contains historical information about the Festival. In addition, the website contains a blog which was crawled separately on the same days. Blog posts date as early as June 2010. Due to technical issues, many features do not function as expected. Materials are in electronic format.
