## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 17-108, National Museum of Natural History, Website Records

---

## Descriptive Entry

This accession consists of a section of the National Museum of Natural History website dedicated to Natural History Research Experiences as it existed on September 15, 2016. The program provides summer research internships for undergraduates. The website includes information about the program, experiences, and application process. It also includes newsletters and a bibliography of publications and presentations by interns. Materials are in electronic format.

---
