Administrative Information

Prefered Citation

Smithsonian Institution Archives, Accession 17-115, Museum Computer Network, Records

Descriptive Entry

This accession consists of materials created and maintained by Diane Zorich, President, 1993-1996. The materials document the activities of the Museum Computer Network (MCN) including planning for conferences, grant management, board meetings, strategic planning, and relationships with other organizations such as the American Society for Information Science and the Consortium for the Computer Information of Museum Information. Materials include correspondence, memoranda, agreements, meeting agendas and minutes, grant records, publications, financial records, brochures, strategic planning records, and clippings.
