Smithsonian Institution Archives, Accession 17-196, Smithsonian Institution, Website Records

Descriptive Entry

This accession consists of 32 official Twitter accounts maintained by units throughout the Smithsonian Institution (SI). Twitter is a third-party site used for public micro-blogging by SI staff. In addition to general SI-wide accounts, this accession includes accounts maintained by individual museums, research centers, and administrative and programmatic units across the Institution. Each of the accounts was crawled between October 5, 2015 and November 9, 2016, but may document earlier activity. Due to technical issues, crawls of the accounts may not be complete and some features may not function as expected. Materials are in electronic format.
