---

## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 17-211, National Museum of Natural History, Website Records

---

## Descriptive Entry

This accession consists of Twitter posts, known as tweets, using the hashtag #SIForensic between July 28 and September 2, 2015. This hashtag was promoted by the National Museum of Natural History for tweets related to forensic anthropological research performed on graves found at the site of the Jamestown, Virginia colony. The tweets were exported as a spreadsheet and include both tweets by the museum and tweets by other organizations and individuals. Materials are in electronic format.

---
