Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 17-341, National Museum of Natural History,
Website Records

Descriptive Entry

This accession consists of the Department of Invertebrate Zoology website as it existed on May 24, 2017. The website includes information about the department and its staff, research, and collections. Several "feature" sections of the website were crawled separately between January 16 and May 24, 2017. Files from the web server for most of these sections are also included. This accession does not include detailed collection information. Materials are in electronic format.
