Title:	Website Records
Identifier:	Accession 18-125
Date:	2017
Extent:	
Creator::	Smithsonian Insitution
Language:	English

Administrative Information

Prefered Citation

Smithsonian Institution Archives, Accession 18-125, Smithsonian Insitution, Website Records

Descriptive Entry

This accession consists of the Institute for Biodiversity Genomics website as it existed on April 19, 2017. The Institute for Biodiversity Genomics is a united effort of existing Smithsonian Institution research entities and a suite of partners around the world that will help scientists address the challenges of sustaining biodiversity on a changing planet. Smithsonian participants include the National Museum of Natural History, the National Zoological Park, the Smithsonian Conservation Biology Institute, the Smithsonian Environmental Research Center, and the Smithsonian Tropical Research Institute. The website includes information about the Institute and its research. Materials are in electronic format.
