Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 18-230, National Museum of Natural History, Website Records

Descriptive Entry

This accession consists of the "Smithsonian GeoGallery" website, maintained by the Department of Mineral Sciences, as it existed on November 29, 2016. The website allows users to search or browse the National Museum of Natural History's collection of gems, minerals, meteorites, and rocks. This accession may not include all of the collection data available on the live website and some features may not function as expected. Materials are in electronic format.
