## Descriptive Entry

This accession consists of records created and maintained by David A. Romanowski, Writer-Editor, documenting the development of exhibitions and portions of exhibitions at the National Air and Space Museum and the Steven F. Udvar-Hazy Center. A small amount of records also document Exhibits Design Department activities, procedures, and non-exhibition projects. Materials include scripts for original exhibitions, updates to existing exhibitions, and films shown in the exhibitions as well as correspondence, concepts, label text, floor plans, architectural drawings, schedules, guidelines, procedures, newsletters, organizational charts, brochures, a book, and related materials. Some materials are in electronic format.
