Smithsonian Institution Archives, Accession 18-250, National Museum of Natural History, Website Records

Descriptive Entry

This accession consists of the blog "The Backbone: News from the Department of Vertebrate Zoology" as it existed on August 15, 2017. It provides updates about staff, collections, research, awards, and outreach activities. It launched in September 2013 and has been inactive since February 2016. The blog was taken down shortly after this crawl. Materials are in electronic format.
