Preferred Citation

Smithsonian Institution Archives, Accession 18-266, National Air and Space Museum. Space History Division, Project Files

Descriptive Entry

This accession consists of records created and maintained by Amanda Young, Curator, documenting the management of a project to preserve artifacts from the National Aeronautics and Space Administration's Apollo Space Program. Topics covered include various aspects of the Save America's Treasures (SAT) grant to preserve space suits and the Saturn V rocket. Materials include correspondence, memoranda, newsletters, news clippings, progress reports, budgets, grant proposals, photographs, charts, slides and related materials. Some records date to when the Space History Division (1997-2013) was known as the Department of Space History (1987-1996).
