Descriptive Entry

This accession consists of the Biodiversity Heritage Library Consortium (BHL) Twitter account as it existed on February 7, 2017. BHL is a consortium of major natural history, botanical, and research libraries that cooperate to digitize and make accessible the literature of biodiversity held in their collections as a part of a global "biodiversity commons." Twitter is a microblogging platform used by BHL to promote its collections, projects, and tools. Materials are in electronic format.
