Descriptive Entry

This accession consists of the Smithsonian Consortia website as it existed on July 2, 2018, shortly before it was taken down. The Consortia advanced knowledge across disciplines to solve critical global issues of our time, referred to as the "Grand Challenges." The website included information about the Consortia and its projects as well as information about related events, exhibitions, and publications. Due to technical issues, some content may be missing from the website crawl. Materials are in electronic format.
