Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 19-071, National Air and Space Museum.
Aeronautics Division, Program Files

Descriptive Entry

This accession consists of the records of Dorothy Cochrane, Curator, documenting her activities as speaker coordinator for the General Electric Aviation Lecture Series, the Charles A. Lindbergh Memorial Lecture, and other programs at the National Air and Space Museum and the Steven F. Udvar Hazy Center, as well as conferences and symposiums in which she participated. Some earlier records date back to when the Aeronautics Division was known as the Department of Aeronautics. Materials include correspondence, memoranda, and notes; press releases and articles; invitations; guest lists; proposals; meeting agendas; lecture papers; biographical information; a press kit; photographs; maps; brochures; presentation information; and supporting documentation. Some materials are in electronic format.
