Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 19-161, Smithsonian Institution. Office of the Chief Information Officer, Website Records

Descriptive Entry

This accession consists of a website and Tumblr blog maintained by the Digitization Program Office, part of the Office of the Chief Information Officer, as they existed on December 1, 2017.

The website focuses on three-dimensional digitization. It includes information about projects, staff, and the use of three-dimensional models in the classroom. Due to technical issues, some interactive features may not function properly in this accession.

The Tumblr blog is directly associated with the website and also features three-dimensional digitization projects. It launched in June 2014. Due to technical issues, some video content may not function properly.

Materials are in electronic format.
