Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 19-168, Smithsonian Institution. Office of the Chief Information Officer, Website Records

Descriptive Entry

This accession consists of the "OCIO Data Science Lab" website as it existed on March 13, 2018. The Data Science Lab, part of the Office of Research Services within the Office of the Chief Information Officer (OCIO), provides expertise to Smithsonian Institution researchers in analyzing large quantities of data, also known as "big data." The website provides information about the staff and the services they provide as well as projects in which they are involved. Materials are in electronic format.
