Descriptive Entry

This accession consists of the Earth Optimism Summit website as it existed on March 27, 2018. The Earth Optimism Summit is an annual gathering of a diverse group of conservation-minded professionals and citizens to discuss and share solutions about how to preserve biodiversity, protect natural resources, and address climate change. The website includes information about upcoming and previous events. Due to technical issues, some video and other features in this accession may not function as expected. Materials are in electronic format.
