Descriptive Entry

This accession consists of the "America's Presidents" website, maintained by the National Portrait Gallery (NPG) as it existed on December 15, 2017, and again on April 2, 2018. The website accompanies a permanent exhibition of the same name which first opened at NPG in September 2017. The website and exhibition feature NPG's collection of presidential portraits. The website is available in both English and Spanish and includes information about the history of the collection, lesson plans, and an online version of the exhibition. In addition, the online exhibition was also crawled separately from the rest of the website on April 2, 2018. Due to technical issues, some features of the website crawls may not function as expected. Materials are in electronic format.
