Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 19-175, National Museum of Natural History, Website Records

Descriptive Entry

This accession consists of a section of the National Museum of Natural History website dedicated to Natural History Research Experiences as it existed on June 8, 2018. The program provides summer research internships for undergraduates. The website includes information about the program, experiences, and application process. It also includes newsletters and a bibliography of publications and presentations by interns. In addition, this accession includes files for this website transferred directly from the server. Materials are in electronic format.
