Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 19-178, National Museum of Natural History, Website Records

Descriptive Entry

This accession consists of the United States National Museum Geometridae section of the Department of Entomology website as it existed on June 18, 2018. The section allows users to browse information about the geometridae moth collections of the National Museum of Natural History, formerly part of the United States National Museum. In addition, this accession also includes files for the website that were transferred directly from the web server. Materials are in electronic format.
