Descriptive Entry

Smithsonian Networks is a joint venture between Showtime Networks and the Smithsonian Institution. It was formed to create channels featuring programs largely inspired by the assets of the Smithsonian Institution, the world's largest museum and research complex. Smithsonian Channel features award-winning original documentaries, series and ground-breaking programs highlighting America's historical, cultural and scientific heritage. This accession consists of programs created for the Smithsonian Channel that cover a range of topics including aeronautics, astronautics, science, nature, and American culture and history. Materials are in electronic format.
