Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Records
Identifier:	Accession 19-199
Date:	circa 1940s, 1961-2018
Extent:	2 cu. ft. (2 record storage boxes)
Creator::	American Arachnological Society
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 19-199, American Arachnological Society, Records

Use Restriction

Restricted for 15 years, until Jan-01-2034; Transferring office; 07/18/1986 Deed of Gift; Contact reference staff for details.

Descriptive Entry

This accession consists of records that document the activities, history, membership, meetings, and publications of the American Arachnological Society (AAS). People represented include Vincent D. Roth and Allen Dean. Of particular note are the materials related to the Spider Genera of North America Revision Team and the culmination of their work in the AAS publication, *Spiders of North America: An Identification Manual*. Materials include correspondence, memoranda, meeting programs and proceedings, meeting minutes, images, video recordings, posters, articles, and clippings. Some materials are in electronic format.
