## Descriptive Entry

This accession consists of the Smithsonian Folklife Festival website as it existed on June 29, 2018. The Festival was celebrated June 27 through July 1 and July 4 through 8, 2018. The website provides information about the 2018 Festival and its programs. It also contains historical information about the Festival and a blog. The blog, crawled separately on the same day, launched in approximately 2010 but some content from earlier festivals has been backdated and uploaded into the blog. Due to technical issues, some videos may be missing from this accession. Materials are in electronic format.
