## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 19-225, National Zoological Park. Department of Animal Care Sciences, Subject Files

---

## Descriptive Entry

This accession consists of records created and maintained by Kathleen Brader, Animal Keeper, documenting the presentation of two kiwis to the National Zoological Park and the subsequent birth of a chick as well as her research regarding mousebirds (*Colius*), kiwis, and Micronesian (Guam) kingfishers. Materials include photographs and slides, a press release, a news article, and a lecture script. Some materials are in electronic format. Many of the kiwi materials had previously been maintained by the Office of Public Affairs.

---
