Smithsonian Institution Archives, Accession 20-037, Smithsonian Institution, Website Records

Descriptive Entry

This accession consists of three YouTube accounts maintained by various Smithsonian Institution units, including the Freer Gallery of Art and Arthur M. Sackler Gallery, the Smithsonian Libraries, and the Museum Conservation Institute. The accounts were crawled between March 23 and July 17, 2018. YouTube is a video-sharing service that many museums, research centers, and programmatic offices use for disseminating informational, educational, and promotional videos. Each account was crawled twice, once focusing on the account in general and once focusing on the videos. Due to technical issues, some content may be missing and some features may not function as expected. Materials are in electronic format.
