## Descriptive Entry

This accession consists of four Facebook accounts maintained by Smithsonian Institution units, including the National Zoological Park, the National Air and Space Museum, the Smithsonian Latino Center, and the Asian Pacific American Center. Facebook is a third-party social networking site used for interaction with the general public. These accounts were captured by a variety of means between February 13 and November 9, 2018. Due to technical issues, the captures of many accounts are incomplete and may not function properly. Materials are in electronic format.
