Preferred Citation

Smithsonian Institution Archives, Accession 20-068, Smithsonian Institution. Traveling Exhibition Service, Website Records

Descriptive Entry

This accession consists of the "Earth from Space" website, maintained by the Smithsonian Institution Traveling Exhibition Service, as it existed on September 23, 2019. The website was created to accompany a traveling exhibition of the same name and includes an online version. The exhibition was organized in conjunction with the National Air and Space Museum and toured from 2006 through 2012. The website was taken down shortly after this crawl. Due to technical issues, some features of this web crawl may not function as expected. This accession also includes server files for the website. Materials are in electronic format.
