### **Collection Overview**

#### **Administrative Information**

#### Prefered Citation

Smithsonian Institution Archives, Accession 20-097, Museum Conservation Institute, Website Records

## **Descriptive Entry**

This accession consists of web content maintained by the Museum Conservation Institute (MCI).

The MCI pages on the Smithsonian Institution website were crawled on January 27, 2020. They include information about research projects, conservation resources for the general public, and professional development opportunities.

An MCI project description page on the Smithsonian Institution's public-facing data repository was crawled on February 21, 2020. The project was a technical study of artifacts from Precolumbian Panama made of gold and related metal alloys. The research data is not included in this accession.

Materials are in electronic format.
