## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 20-098, National Zoological Park, Website Records

---

## Descriptive Entry

This accession consists of the website of the National Zoological Park, including the Smithsonian Conservation Biology Institute, the Smithsonian Migratory Bird Center, and the Friends of the National Zoo, as it existed on January 8, 2020. The website includes information about exhibits, animals, conservation projects, membership, events, educational programs, and visiting as well as image galleries and press releases. Due to technical issues, some features do not function as expected. Materials are in electronic format.

---
