Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 20-108, Smithsonian American Art Museum, Website Records

Descriptive Entry

This accession consists of a web page on the Smithsonian American Art Museum (SAAM) website regarding "WONDER 360," a virtual reality experience for mobile devices. The mobile app allowed users to immerse themselves within a virtual version of the "WONDER" exhibition at SAAM's Renwick Gallery. The web page was captured on October 10, 2018, and again on July 23, 2019, and provides information about the mobile app. The app itself is not included in this accession. Materials are in electronic format.
