Smithsonian Institution Archives, Accession 20-109, Smithsonian Astrophysical Observatory, Website Records

Descriptive Entry

This accession consists of the Smithsonian Astrophysical Observatory (SAO) Research Experiences for Undergraduates Summer Intern Program web page as it existed on October 30, 2018. SAO, with the Harvard College Observatory, jointly administers the Harvard-Smithsonian Center for Astrophysics (CfA). The program allows undergraduates to work on astrophysical research with SAO or Harvard College Observatory scientists. The web page is located on the CfA website and includes information about the program and application requirements. Due to technical issues, this accession does not include many of the intern program pages linked to this one. Materials are in electronic format.
