Descriptive Entry

This accession consists of records documenting 10 Twitter accounts maintained by units throughout the Smithsonian Institution (SI). Twitter is a third-party site used for public micro-blogging by SI staff. Each of the accounts was crawled between November 2018 and September 2019, but may document activity back to the beginning of the account. Due to technical issues, accounts in this accession may be incomplete or content may not function as expected. Materials are in electronic format.
