Descriptive Entry

This accession consists of the Smithsonian Second Opinion website as it existed on June 26, 2019, shortly after Secretary David Skorton left the Smithsonian Institution. Smithsonian Second Opinion is an Institution-wide digital platform for thought leaders to explore challenges facing the nation and the world at large. Four times a year, Secretary Skorton convened a panel of experts representing a spectrum of thought for a roundtable discussion on an issue. A video and transcript of the discussion, along with articles, educational resources, and other content elements are added to this website. Materials are in electronic format.
