---

## Descriptive Entry

This accession consists of the "Smithsonian Music" website as it existed on November 27, 2018, and again on December 10, 2018, as preparations were underway for the Smithsonian Year of Music in 2019. The website brings together resources from across the Smithsonian Institution to provide unique musical opportunities and increase access to the nation's collections. The website also includes a blog, "Smithsonian Music Notations," which launched in April 2017. Due to technical issues, some content may be missing or may not function as expected. Materials are in electronic format.
