Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 20-159, National Museum of Natural History, Website Records

Descriptive Entry

This accession consists of the Department of Botany website as it existed on November 16, 2018, and again on November 27, 2018, shortly before the website was taken offline and its content incorporated into the National Museum of Natural History website. The Department of Botany website includes information about research, collections, staff, and seminars as well as the monthly "Biological Conservation Newsletter." Detailed collection information is not included in this accession. The server files for this website are also included in this accession. Materials are in electronic format.
